

The Association for Media Literacy presents

21st Century Literacies:

Forging the Media Literate Classroom

What is 21st century media literacy?

How do media shape our understanding of the world?

How can we help students forge their media literacy skills?

How might we use social media to support learning?

How can we use media production to consolidate learning?

Get strategies and tips from PJIS classroom teachers!

8:30 - 4:00, April 6, 2013

Winters College Dining Hall, York University
